Functions and Activities

It is my understanding that participating in the programs and recreational and other activities is a privilege. Prior to my participation in such activities, I acknowledge that there are certain risks associated with the activities, including, by way of example, physical injury due to activity related accidents, and physical injury due to transportation-related accidents, illness, or even death. In addition, I acknowledge that there may be other risks inherent in these activities of which I may not be presently aware.

Release of Liability

By signing this Adult Permission Waiver Form, I expressly warrant that I am capable of withstanding both the physical and mental demands of the activities discussed above. I also expressly assume all risks of the student participating in the activities, whether such risks are known or unknown to me at this time. I further release FUEL Ministry and its leaders, employees, Officers, Directors, volunteers, and agents from any claim that I may have against them as a result of injury or illness incurred during the course of participation in the activities. This release of liability shall include (without limitation) any claims of negligence or breach of warranty. This release of liability is also intended to cover all claims that members of my family or estate, heirs, representatives, or assigns may have against this organization or its leaders, employees, volunteers or agents. I further agree to indemnify and hold harmless Fuel ministry and its leaders, employees, volunteers, or agents from any and all claims arising from my participation in its activities and programs, or as a result of injury or illness of my student during such activities.

First Aid and Emergency Medical Treatment

I recognize that there may be occasions where I may be in need of first aid or emergency medical treatment as a result of an accident, illness, or other health condition or injury. I do hereby give permission for agents of this organization to seek and secure any needed medical attention or treatment for me including hospitalization, if in the agent’s opinion that such need arises. In doing so, I agree to pay all fees and costs arising from this action to obtain medical treatment.

I give permission for attending physician(s) and other medical personnel to administer any needed medical treatment, including surgery and, again, I agree to pay for the medical treatment.

This consent includes but is not limited to: photographs, videotape and audio recordings. Furthermore, I give permission to be interviewed by the news media, or for such photographs and other audio or visual records to be used by the news media.

In addition, such photographs and audio/visual recordings may be used in publications or advertising materials to let others know about our activities.
